Can I borrow some money from you, please?

Why? What's it for?

I want to buy some cream to make my skin white. Then I will be beautiful.

You are already beautiful. You don't need to waste your money on those stupid creams.

But I want to look like the girls on the TV.

You are more beautiful than those girls. They just want your money, so they can be rich.

Those TV adverts are a trick, to make us spend our money on useless stuff.

You must think very carefully before you spend your money. Make sure you really want the things that you buy.

I will! I promise!

Way to go, sister!
